TRENTON CHAMBER OF COMMERCE UPDATE

Barneveld – The new Trenton Chamber of Commerce membership brochures are finished and being distributed. Volunteers dropped off new brochures to a number of businesses over the Memorial Day Holiday weekend and continue to do so. In an effort to cut down on mailing and postage, volunteers have been working hard to get the brochures out to those members who have visitors and walk-in traffic. Others will be mailed but if you need more, supplies are available at Adirondack Cheese, Adirondack Bank in Holland Patent, Adirondack Diner and Lanes, and Back of the Barn Antiques in Remsen.

The chamber's website has some major new improvements now on-line. Be sure to check out the membership tab at www.trentonchamber.com and you can find businesses listed both alphabetically and by category. There is also a weblink to the member business if that information was provided on the membership registration or renewal form when dues were submitted. If you failed to provide the information, be sure to do so when paying your 2011 dues so you don't miss out on this extra advertising opportunity.

The Barneveld Village Wide Garage Sales took place on Saturday June 5. The weather was not the most cooperative and the number of sales and attendance was down a bit.

- more -

The chamber will continue to be involved next year and to prepare a map showing where the sales are. This was the first year that the Chamber got on board and made a map available. It is agreed this is a worth-while venture. Hopefully next year more businesses will get involved with sidewalk sales or other incentives to bring folks out during that day.

Plans are still underway for a July Business After Hours. Keep an eye on our website for more information as it becomes available.

The Trenton Chamber continues to be an active member of the Chamber Alliance of the Mohawk Valley. Several of our members attended the CAMV event on May 24 at the Holiday Inn featuring guest Erin Hamlin. Money raised from that event is being donated to USA Luge. Currently, CAMV is discussing the possibility of hosting congressional candidates at an information forum. More news will be forthcoming.

Election of officers will take place at the July meeting. The nominating committee has put forth its slate of officers for the next year.

The next meeting will be Thursday July 8 at 8:30am at the Municipal Building on Old Poland Road in Barneveld. All members are welcome and encouraged to attend. Please remember the Trenton Chamber is a volunteer organization with no paid positions. Volunteers are always needed for committees and activities.
