TRENTON CHAMBER MONTHLY UPDATE

Barneveld – The Trenton Chamber of Commerce held it's monthly meeting on September 9 at the Municipal Building.

President Debby Leiker expressed concern at the lack of help or participation in preparing and distributing the quarterly newsletter and asked if the newsletter should be continued. While those in attendance believe the newsletter is beneficial, they understand the extra work this has put on the president and that something must be done to assist. If there are any volunteers within the membership who can help with this project, please contact Leiker via the chamber e-mail: trentonchamber@aol.com

Another option discussed was the possibility of hiring someone to prepare the newsletter. One of the difficulties is obtaining information and articles from members to be included in the newsletter. Are you aware that you can submit information about something new and exciting going on at your business? Keep in mind this is not to be used as advertisement space, but if you have an open house, have recently hired, or have other news to share, please submit it so that the news can be shared with all of the chamber members.

Please mark your calendars for some upcoming events. The Chamber will kick off its annual fuel raffle by selling tickets at the Remsen Barn Festival.

- more -

Volunteers are needed to work the ticket booth which will be set up with the Adirondack Foothills Rotary food tent at the north end of town. If you can take a two-hour shift to sell tickets contact Fitz Hardiman at Adirondack Lanes. Also, all members will be receiving tickets and they are asked to either sell the tickets and turn in the money, or return the unsold tickets.

The semi-annual trash pickup is slated for Monday October 4 with a rain date of October 5. Volunteers are needed to help pick up trash along Route 12 in the Mapledale region between Hinman and Old Poland Roads. Meet at Adirondack Lanes at 5pm. The work usually takes about two hours and then refreshments are had at the Lanes.

And mark your calendar for Thursday, December 9. That is the date for our holiday Business After Hours at Adirondack Bank in Holland Patent. More information will be out later in the fall.

The most recent Business After Hours was held September 16 at the Remsen VFW Post 982 co-sponsored by the VFW and Tours By Design. Thank you to all who attended.

One important note to all chamber members. Our monthly meeting in October will be held in the evening. This idea was suggested to see if more members would be able to attend. The October 14th meeting will begin with light refreshments at 5:15 followed by the business meeting at 5:30pm. Meetings last about one hour and all members are encouraged to attend.
